

# GHOSTS OF THE GREAT HIGHWAY SUN KIL MOON

---

On February 6, 2007 CALDO VERDE RECORDS will re-issue SUN KIL MOON's *Ghosts of the Great Highway*. Originally released on November 3, 2003, the album received superlative reviews, moved quickly to #1 on college radio and has become one of singer-songwriter MARK KOZELEK's most loved and best selling albums in a 13 album career. Caldo Verde celebrates the three year anniversary of *Ghosts of the Great Highway* with a new edition with re-worked packaging. Also included is a 6-song bonus cd containing two versions of Leonard Bernstein's "Somewhere," alternative versions of "Carry Me Ohio" and "Salvador Sanchez," a radio recording of "Gentle Moon" recorded in Portugal, and the previously unreleased instrumental "Arrival," which was recorded for the movie *The Girl Next Door*.
